# TIREJECT®

DURABLE, LONG LASTING  
INSTANT TIRE REPAIR

TireJECT® **AUTO Formula** is a Low Viscosity Liquid made with High-Strength Aramid Fibers And Recycled Rubber Tire Particles. **TireJECT® Instantly Repairs Any Tubeless Tire.**

## TIREJECT® REPAIRS

TireJECT® AUTO Formula repairs low tire pressure caused by bead leaks, slow leaks, and tread punctures from objects up to 1/4"

LOW TIRE PRESSURE

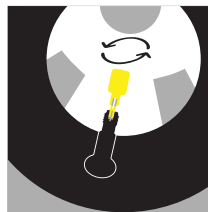

TREAD PUNCTURES FROM OBJECTS UP TO 1/4"

BEAD LEAKS & SLOW LEAKS

## INSTALL TIREJECT®

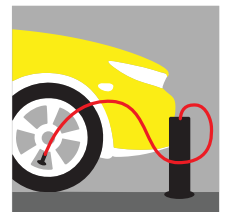

Fast & easy deployment in **3 SIMPLE STEPS** - Easy to install by any skill level and on the road in **Under 5 Minutes.**

STEP 1 - DEFLATE THE TIRE

STEP 2 - INSTALL LIQUID TIREJECT®

STEP 3 - RE-INFLATE & IMMEDIATELY DRIVE

## FASTEC™ FORMULA

TireJECT® AUTO Formula plugs & repairs any tubeless tire punctures or leaks from the inside. The **FASTec™ Liquid Rubber Compound** bonds to the tire for a durable, long-lasting repair. Safe for tire & rim, will not cause wheel or vehicle vibrations.

## AUTOMOTIVE TIRES

TireJECT® AUTO Formula has specific tire protection properties and liquid dosage requirements for all automotive vehicle tubeless tires.

**CUSTOMER GLOBAL RATINGS 4.5 OUT OF 5 STARS**

Customers like the ease of use and quality of the gun cleaning kit. For example, they mention it's easy to add to the tires and works better than the product SLIME. Amazon AI-generated from the text of customer reviews.

**Jasper Krayola** *Verified Purchase* ★★★★★  
**EXCELLENT PRODUCT**

*Reviewed in the United States on May 25, 2024*

PRODUCT: Full-size Truck, SUV (2-pack)

I found this product online, read the reviews and ordered. The item arrived as described and was simple to install. After two months all four tires are holding correct pressure after application. I highly recommend this product. I would purchase this item again.
